Tuesday, October 23, 2007**

The City of Belle Isle Planning and Zoning Board met on Tuesday, October 23, 2007 at 7:00 P.M. at Belle Isle City Hall Council Chambers, 1600 Nela Avenue, Belle Isle, Florida 32809 for Regular Session.

Acting Chairman Stalder called the regular Planning and Zoning Board meeting to order at 7:05 PM

The following members were present:

Boardmember Haan	District 4
Boardmember Stalder	District 7

Not present were Boardmember McGee, District 1
Boardmember McDonald, District 3, Boardmember Bruning District 5, and
Boardmember McLeod, District 6

Also present were Gayle Owens, City Attorney; Stacey Ribeau, General Services Coordinator and Miriam Rodriguez, Administrative Assistant.

Acting Chairman Stalder said that since there were only two members present, obviously we did not have a quorum. We will have to reschedule this meeting for another date.

Attorney Owens said everyone was given notice for today's hearing. I will have to check whether we need to re-notice. Since there quite a few cases, we will try and reschedule a meeting before the next November regular meeting. We apologize but we cannot take any action tonight.

Meeting was adjourned.

Miriam Rodriguez
Administrative Assistant
